Birthday presents are nice gifts given to the people we love on their birthdays. A present can be a book, flowers, a box of chocolate, or anything that the person likes or wants most. The presents could be cheap or expensive. But, the presents should be wrapped nicely. There are many gift shops with different kinds of presents. However, a birthday present could be a simple card to show someone that you really love them.

1 Presents make people happy.	(√	)

Finn's Birthday

Once upon a time, there was a secret guest on a birthday party. It was Finn. Finn was a nice little ant. She saw a box of sweets and a big chocolate cake. First, Finn wanted to carry the sweets home but they were so heavy. After that, she decided to invite some friends to help her. Finn came back with a group of giant friends of her. When Dix, one big ant, saw the ice cream bowl, he jumped into it. Dix was nearly drowned. Luckily, Finn and the other friends used a small stick to save Dix from the bowl. The stick became very heavy with the ice cream. Finally, Finn and the giant ants decided to carry the stick home instead of the sweets and licked Dix all the way home instead of the chocolate cake.
